- Basics of Beekeeping
- What's Going On in the Hive?
- Queen Identification
- Basic Hive Management
- Hiving a Package or Nuc

## Field Day 2

**Date:** Saturday, July 1, 2023

**Time:** 10 am – 4 pm

**Topics:**

- Splitting/ Making Increase
- OTS Queen Rearing
- Pest Management
- Honey Harvesting

## Field Day 3

**Date:** Saturday, September 16, 2023

**Time:** 10 am – 4 pm

**Topics:**

- Feeding
- Winter Preparations
- Question & Answer Time

If you've been asking these questions, join us for hands-on education in the bee field! Jonathan Showalter, President of Beeline, will direct each day's education as well as be available for questions and discussion!

In case of rain or other plans making the "planned date" unavailable, we have set "back up dates" and will keep all those signed up informed.

If you are interested, please call us with your contact and credit card information, mail a check or drop it by the store, prior to class. We look forward to partnering with you in keeping bees alive in a time when they are in peril!

### Prices:

\$35 per adult for one day  
\$50 per couple for one day  
\$15 per child for one day\*

\*15 and under. Must be accompanied by an adult

### Please bring:

- Your own protective gear
- Your own lunch
- Questions for discussion

*Call to sign up before it's too late!*
